Carol
Captain William A. Newman (DC) USN
Quarters 345
Marine Corps Schools
Quantico, Virginia

Dear Captain Newman:

I want to thank you again for your timely and effective attention to my dental problem. The packing of the tooth provided the temporary respite required to permit my completing the conference, and on return to Washington I took your advice and had the tooth removed.

Your kindness is most appreciated.

Sincerely,

SIGNED

Allen W. Dulles
